OFFICE OF THE DIRECTOR

Action Memorandum No. A-205

Date 4 April 1963

TO : Deputy Director (Intelligence)

SUBJECT :

REFERENCE:

This is a reminder of my oral request for an assessment of the impact on our intelligence collection in Cuba created by the restrictions now placed on exile activities. While it may be self-evident to us, I would like your views, fully coordinated with DD/P, in a form that might be used by the Director to inform the intelligence community and the policy makers of the situation.
